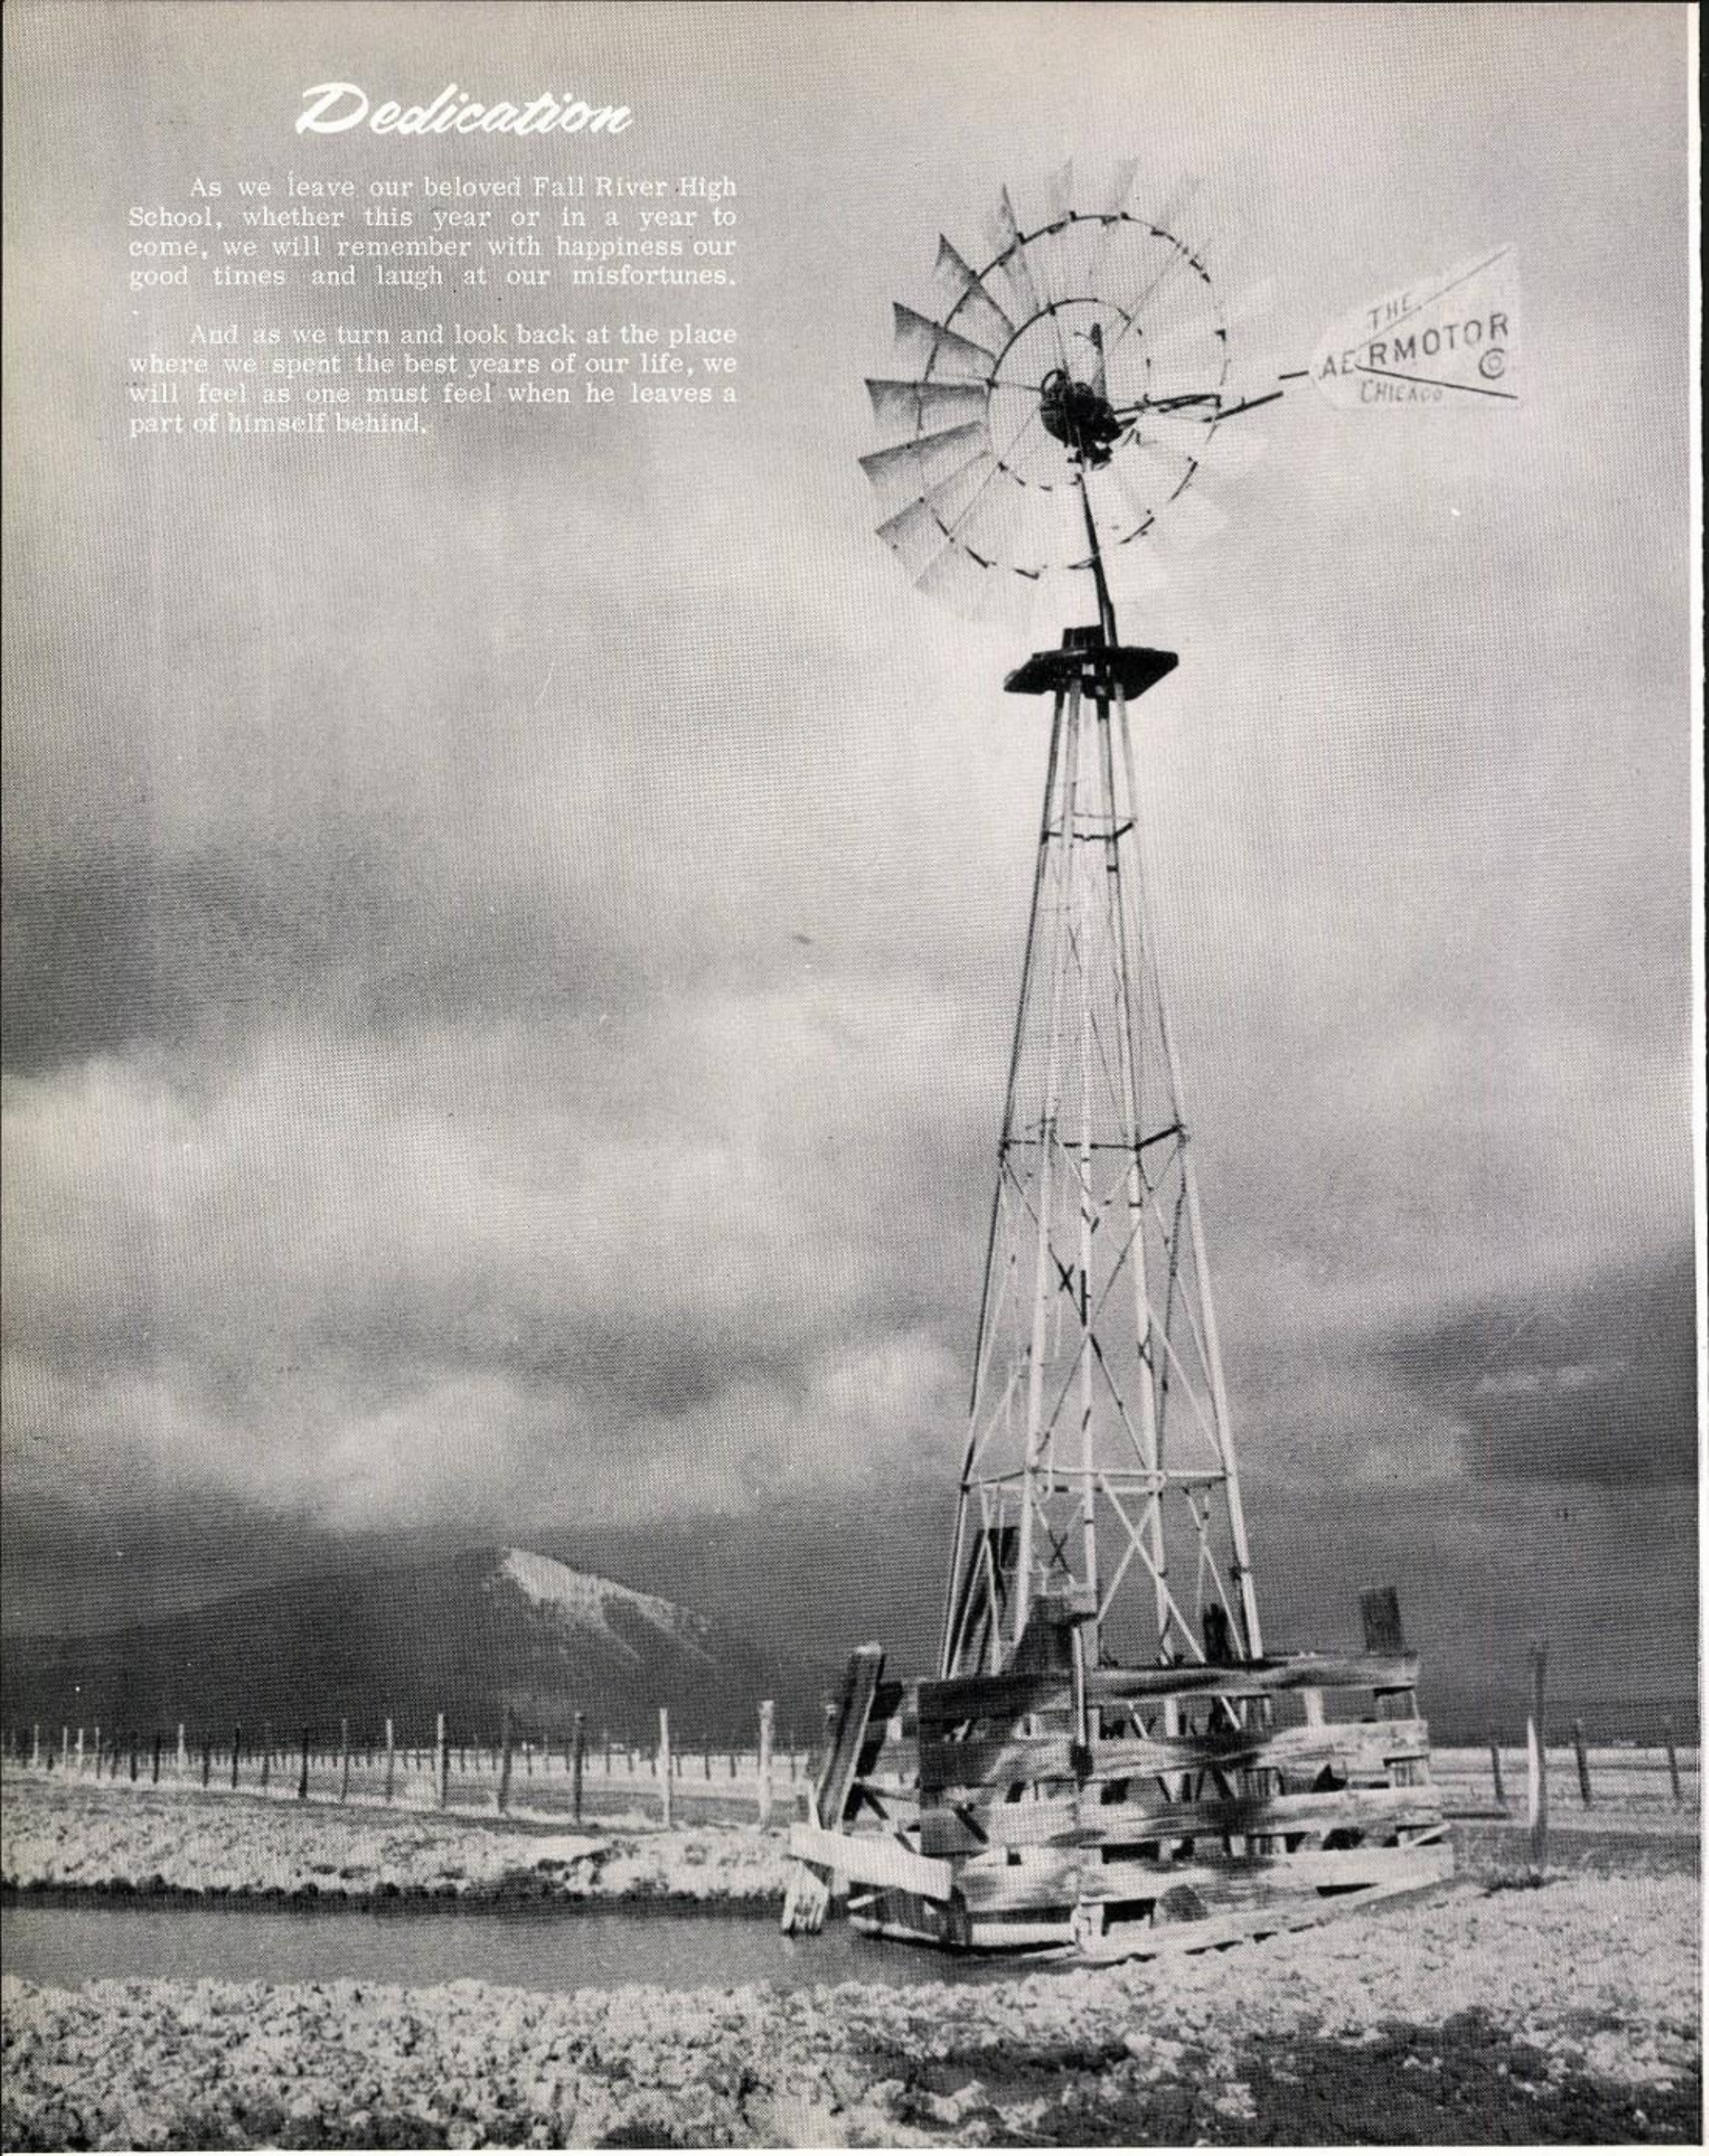
Dedication

As we leave our beloved Fall River High School, whether this year or in a year to come, we will remember with happiness our good times and laugh at our misfortunes.

And as we turn and look back at the place where we spent the best years of our life, we will feel as one must feel when he leaves a part of himself behind.



Activities

Yearbook Class Try New Style

Business Manager - Jan Giessner
Editor - Sandra Scott

This year, the yearbook class strived to improve the Annual. We had last year's book criticized by Dr. William H. Taft from the University of Missouri and we used many of his suggestions in order to bring our annual up to date and make it a contemporary book that we can be proud of. We hope that the changes have made our book more enjoyable to read, easier to look at, and bring back many happy memories in years to come.

Our Student Leaders

SEATED: President, Gary Griffeth. STANDING: Left to Right, Trophy Keeper, Ruth Ashe; Secretary, Jeannie Baum; Treasurer, Gail Kettenring; Advisor, Mr. Stauffer; Vice-President, Johnny Ospital.

The Student Council was not too active this year, but they did revise part of the Constitution. They organized assemblies and sock hops after the assemblies and at noon. The Student Council argued for rooters busses, sold Student Body Cards, approved food sales, Sadie Hawkins Day, and had a Christmas program. They helped send some students to the Student Leader Conference at Chico. The council planned and carried out the election of next year's Student Body officers.

The G.A.A. also had basketball and volleyball matches. With the help of Miss Wanlass, our advisor, the year was a great success.

Future Business Leaders of America

Science Club members pursue research projects.

The Science Club consists of students who are interested in science or engineering vocation. The members usually pursue various research projects. This year we do not have any Science Fair entrants but last year Norman Meeker took an Honorable Mention award at the Chico Fair.

The club also builds equipment for use in the science classes. This year Phillip Dustman built a device for measuring the acceleration due to gravity. We also plan to build some equipment to use in the study of electronics. In the past, members have built a large telescope, an Oscilloscope, a Van De Gaff generator, and other valuable equipment.

Tomorrow's New Teachers have many activities.

The T.N.T. Club, Tomorrow's New Teachers, has several different activities. It consists of students who have an interest in some phase of teaching and think they might like it for a career. The club meets periodically to discuss various issues and also take two or more field trips a year. This year they visited the Hat Creek School and observed teaching there. Mr. Walters, a former advisor was with us for the trip and demonstrated the use of guidedogs on this trip. Later this spring the club plans to make its annual trip to Chico State College. There the members of the club will meet college students who belong to the California Students Teachers Association and accompany them for their classes for the day. They will also have an opportunity to meet leaders of the education department and learn about registration procedure and course work required.

The other major activity of the club is student assistance to various teachers of the school district. This is organized through the assistance of the High School principal and the principal of the Fall River Elementary School. Upperclassmen are first assigned to teachers for observation of teaching methods and later actually help the teachers perform various classroom duties.

This year officers are: President, Caroline Tyrrell; Vice-President, Rita Myer; Secretary, Sandra Stauffer; Treasurer, Ruby Avery.

Chorus and Band
Small in Number - Great in Quality

The high school chorus and band, directed by Mr. Thorlaksson, are perhaps not as large as they might have been, but they were definitely not lacking in quality.

Their performances this year have been appreciated by the student body as well as the community.

Pep Band Known As The Live Five.....

There are five members in the Pep Band (left to right) Roy Helms, Ron Mosher, Gary Hanson, Brice Paris, Floyd Baum. During an absence of one of the members, Gene Shoemaker fills in with his trombone.

The Pep Band of Fall River High is composed of five hard working students, whose main job is to provide music for football games, basketball games, pep assemblies, and pep rallies. They practice during noon hour and after school, and sometimes before pep assemblies. They try to attend as many 'away' games as possible but sometimes find it hard to find transportation. This year Fall River was commended for their music at the Bieber Jamboree.

A. V. E. C.

The initials A.V.E.C. stand for Audio Visual Equipment Club. The members of this club learn to operate the audio visual equipment here at the school. They also learn about electronics. The club members see film strips on electronics and the operation of other audio visual equipment.

McArthur F. F. A. Acclaim High Honors

OFFICERS: Left to Right, Joe Bruce, Sentinel; David Bruce, Reporter; Ernest Bruce, Vice-President; Bill Crum, President; Art Boster, Secretary; Bill Estes, Treasurer.

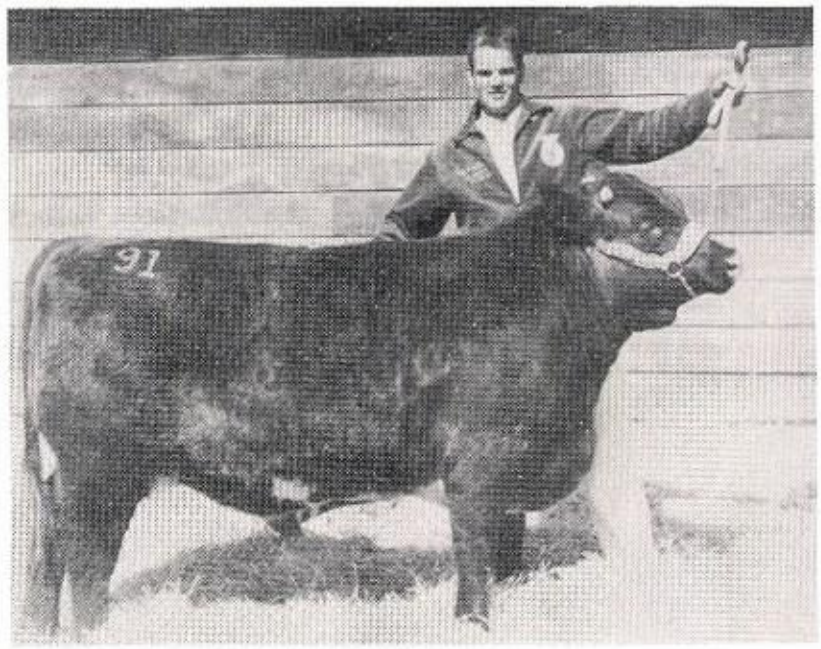
CO-OP QUIZ TEAM - Bill Estes, Bill Crum, and Art Boster won this plaque by competing in the Co-op quiz program. They rated the second highest score in the state.

This year's F.F.A. royalty is Jeannie Baum, attendant; Betty Mitchell, Queen, and Ruby Avery, attendant. These girls were chosen by the popular votes of the F.F.A. boys.

David Bruce, Bill Estes, Chad Oiler, and Ernest Bruce (not shown) were this year's F.F.A. Livestock Judging Team. There are three boys on the team and the fourth is used as an alternate. They were high team at Davis and they placed 4th in the state contest.

LIVESTOCK JUDGING TEAM - Art Boster, Betty Mitchell, Queen; Bill Estes, and Bill Crum are admiring the National Emblem Plaque that the boys won in Kansas City during October 1959. This is the highest honor any Livestock Team can win.

The F.F.A. Livestock Judging team of '59 were real champions. Bill Estes is holding the trophy for the State Champion team, won at San Luis Obispo. Bill Crum is holding the trophy for High Team in Beef Judging, won at Davis. Art Boster is holding the trophy for first place at the Cow Palace Judging Contest.



Art Boster is showing his steer that won Grand Champion at the Shasta District Fair in Anderson.

These boys are our Parliamentary Procedure Team. LEFT TO RIGHT: Joe Bruce, Reporter; Bill Estes, Vice-President; Bill Crum, President; Art Boster, Secretary, and David Bruce, Treasurer. Honors won included: 1st at the Sectional contest at Yreka, 2nd place at the Regional contest at Redding, and 3rd place at the State contest at San Luis Obispo.

LEFT TO RIGHT: Dave Zumwalt, Joan Donning, Wynston Jones, Mr. Beagle, Carol Thorlaksson, Ed Bartel.

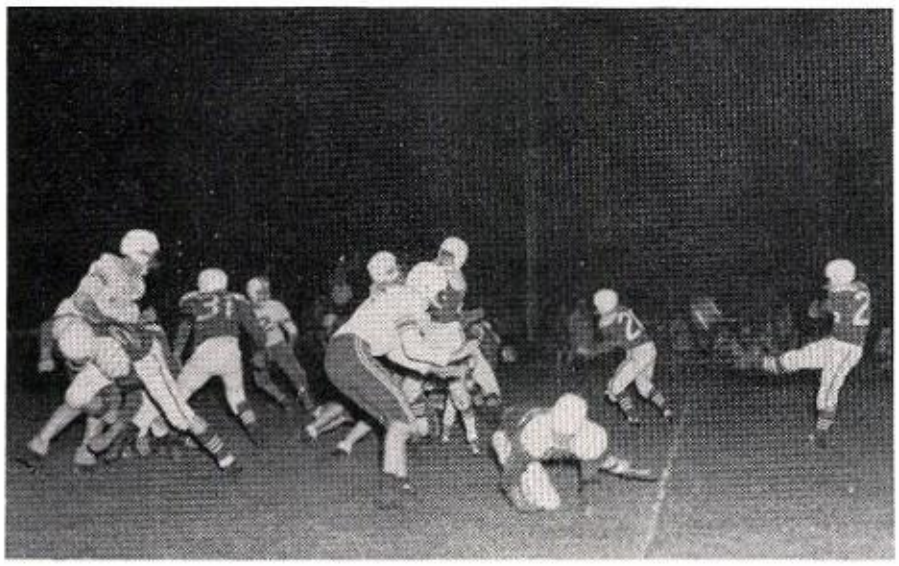
Debate Team Trophy Winners

The debate team consisted of five students, two debaters and three scouts. The team competed three times in the Northern Counties Debating Tournament. After winning the first two debates they went into final competition and became the victor over Enterprise High School in Redding. Joan Donning and Wynston Jones represented Fall River as the two debaters under the direction of Mr. Beagle.

Homecoming
Queen Ruth Ashe
King Rex Allen

Crown Bearer - Jeannie Harris, Attendant - Deanna Lee, Squire - Johnny Ospital, Queen - Ruth Ashe, King - Rex Allen, Squire - Leonard Burrow, Attendant - Gail Kettenring. Royalty and their court were chosen by G.A.A. and Block F.

The game that will be remembered for years to come!



During the cold and windy night of our homecoming game, the varsity boys wore three inch black bands around their arms. This was because Homecoming was dedicated to a well liked senior boy, Nicky Parton. He passed away on October 19, 1959, due to a heart condition.

Although we were defeated by Trinity 27-0, this score was better than last year's 74-0.

We feel that this homecoming will always hold a place in our hearts.

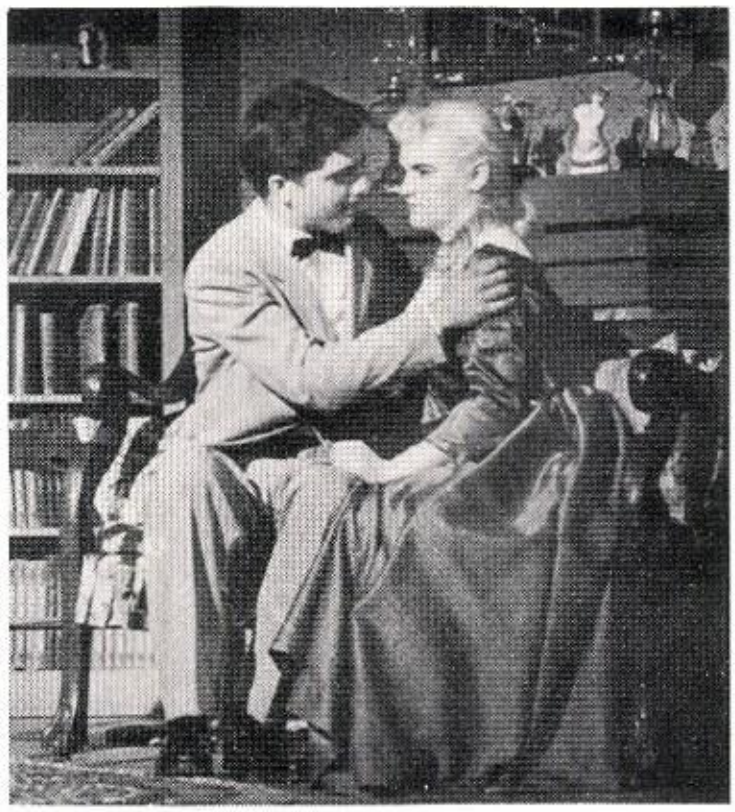
Pat Gregory, Jeanne Baum - "Stop that and get to work!"



Larry Linder, Mary Carole Collins - "Blindness does not hinder beauty."

The bleachers in the gym after lunch are always in a cluttered mess. Many students, after finishing their lunches, throw their paper wrappings, orange peelings, and lunchbags under the bleachers, rather than step down and toss them in the garbage can. All of us know only too well what happened when too many drinks from the Frosty were spilled on the floor beneath the bleachers. The privilege of drinking these refreshments was revoked, and a a stiff penalty applied to anyone taking any drinks into the gym. If we're not careful, we all may be eating outside the gym before long, so let's throw the trash where it belongs--in the trash can!

UNITED NATIONS TESTS TO BE GIVEN

On March 3, several students from the different U.S. History classes will be taking an examination on the United Nations. Each person taking the test must pay 50 cents for a study booklet, entitled, "We the People...," by Mrs. Harrison Thomas. State winners will be announced April 14, and national winners will be chosen before June 1, 1960. The two best papers from each school are sent to the National Panel of Judges in New York and examined by them for"correctness of answers and the students' understanding and ability to express himself with regard to the United Nations."

The national first prize is a trip to Europe, or $500. For a boy, this trip is sponsored by the Experiment in International Living, which features a four-week home-stay with a European family. For a girl, this is sponsored by American Youth Hostels, Inc., which features "simple travel, plain living, and sharing recreation and responsibilities with boys and girls from many countries."

The national second prize is a trip to Mexico, or $200. There are also local prizes for winners and finalists.

The Ag Department is now on a requirement plan. Mr. Hutchings has required every agriculture student to complete several projects.

Some of these projects are: completing two hours of painting; putting a new handle in a tool of some sort--shovel, axe, hammer; reconditioning a tool that is now unusable; repairing one piece of farm machinery that is broken; and completing a welding project later in the year.

JUNIOR VARSITY FOOTBALL SQUAD

Our Junior Varsity football team this year has a fine record. They were unscored upon the first five games that they played. Although the team weakened somewhat during the last two games, we are all proud of their record.

Varsity Basketball

The varsity, made up largely of Juniors, lost its first two games of the season, then did not lose another regular season game all year. Final season record was twenty wins and five losses. The Bulldogs lost to Tulelake in the Modoc Tournament and finished third. They lost to Lassen in the finals of their own Block F Tourney and lost again to Lassen in the Grizzlies' Tournament. The Bulldogs rolled undefeated through a six-game league schedule, capturing the conference crown for the first time in six years.

Ernest Bruce And Dave Zumwalt Named All Tourney

The Varsity had six boys that alternated as the starting five. They were Ernest Bruce, Dave Zumwalt, Bob Timone, Bill Estes, Norman Carlson, and Jack Bassett. With this fine combination we were able to hold many honors.

Ernest Bruce, with his strong rebounding, and Dave Zumwalt, with his time saving lay-ups were both awarded All-Tourneys at the beginning of the season. This took place at the Modoc Tournament.

BOB TIMONE

Bob Timone because of his outstanding playing tied with Pete Hicks of Lassen for the Most Valuable A Player of the Block F Tournament. Both boys received trophies.

Break that tie.

Fall River B Team

During season play the Fall River B Team saw many close games go to our opponents. Even though we had the misfortune of the close ones we won twelve and lost four during regular season play.

It's mine!

Jump ball.

Frank Brown

Frank Brown's steady and effective playing won him two All-Tourney's this year. His first was won at Modoc, and his second right here at home.

Watch it, Rog!

Don't fight, kids.

Good shot.

C Basketball League Champs

The C basketball team was fortunate to win the Modoc-Lassen League Championship and second place in the Cedarville Tournament. The starting line-up usually consisted of George Corder, Stanley Cunningham, Larry Jantzen, Kenny Taylor and Nolan Small. The team was ably assisted by the following substitutes: Ronny Estes, Harold Mitchell, Mike Kerns, Gary Lonquist and George Brewster. The team's success was a result of good condition, basketball sense, and team play.

LARRY JANTZEN - All-Tourney Player

Although Inexperienced, Better Baseball Record

The baseball team experienced its first winning season in four years winning eight and losing four. There were only two seniors on the squad that finished second in the Modoc-Lassen League.

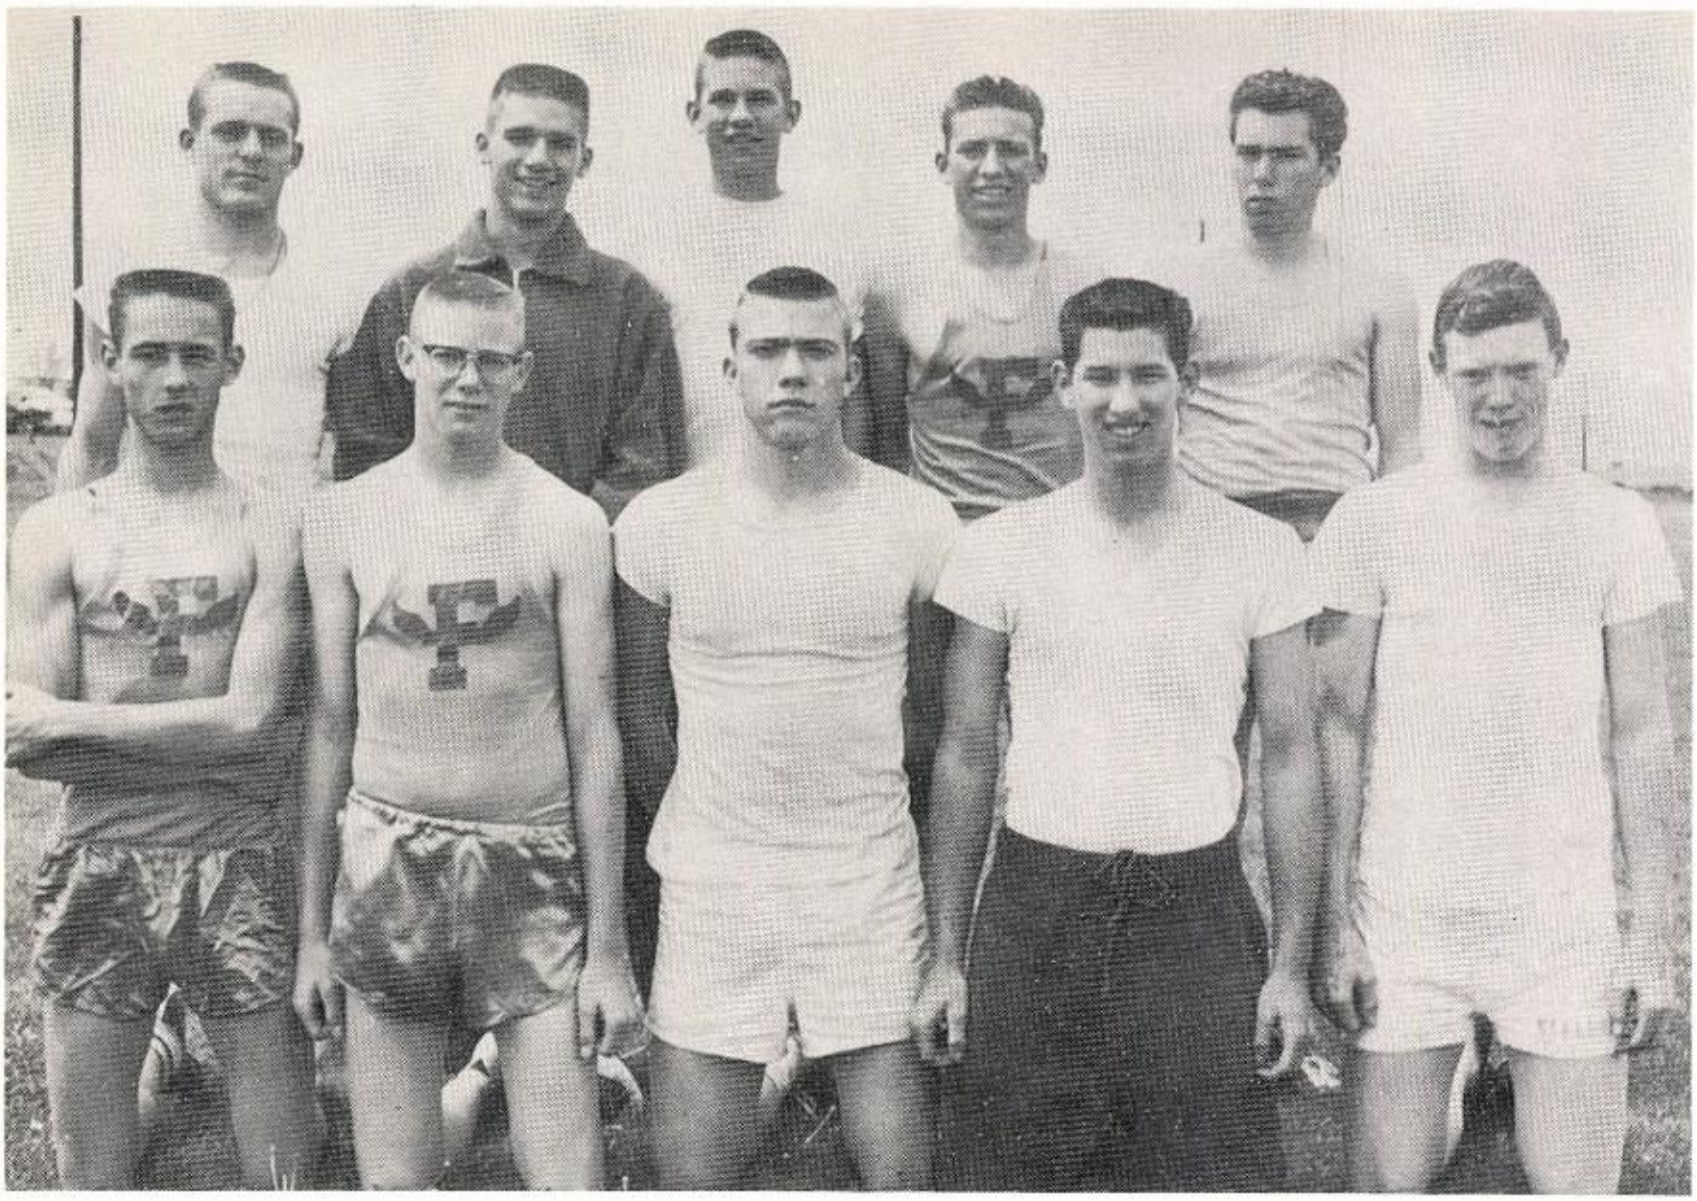
Leonard Burrow was selected outstanding player on the basis of his sensational .777 batting average.

Leonard Burrow was selected outstanding player on the basis of his sensational .777 batting average.

Varsity Track

The varsity won the Modoc-Lassen League championship easily. They were led by Dave Bate, a Senior, who was a stand-out performer all year. Dave established a new school record in the 880 - the time was 2:07.9. Other strong point-getters were Bill Hanan in the pole vault (11' 3") and Ernie Bruce, co-holder of the school high-jump record at 5' 10". Jim Casaurang, the only sophomore on the varsity showed great promise for the future in the high hurdles.

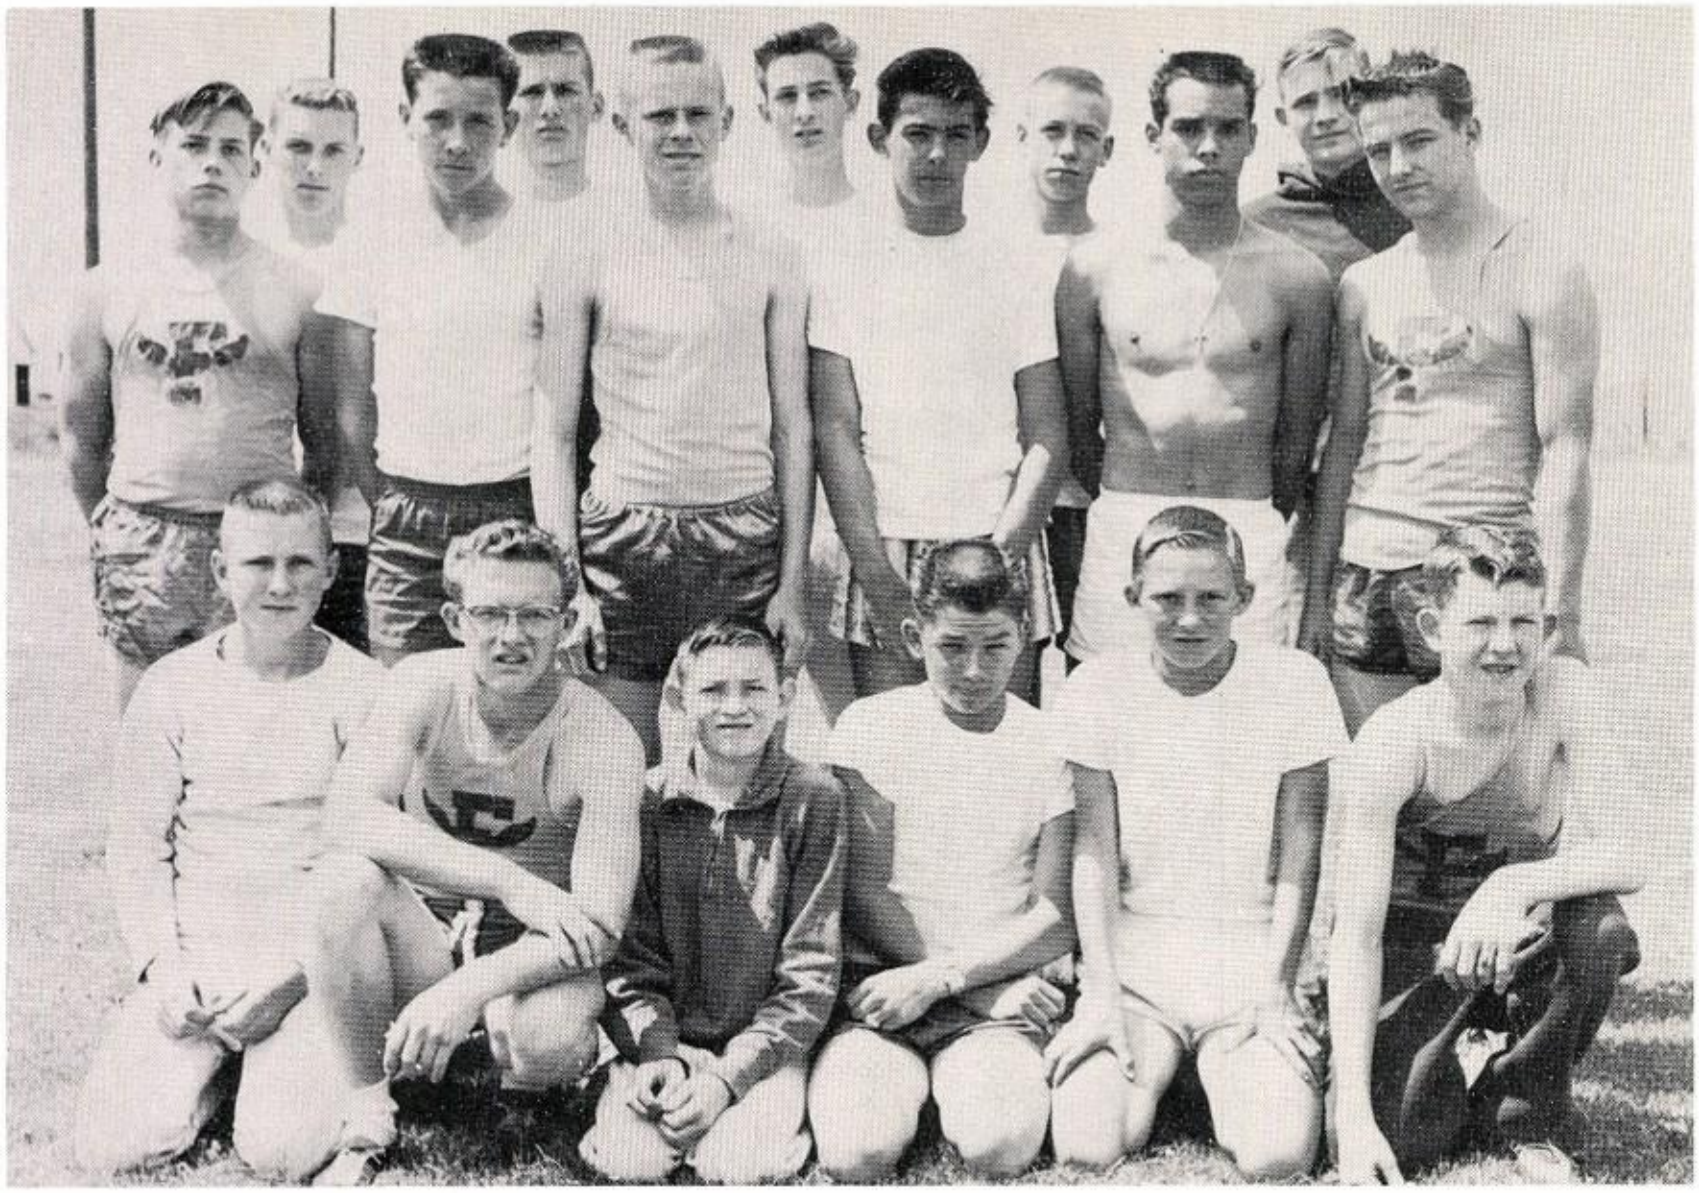
DAVE BATE



B Track

LANNIE LARRIMORE

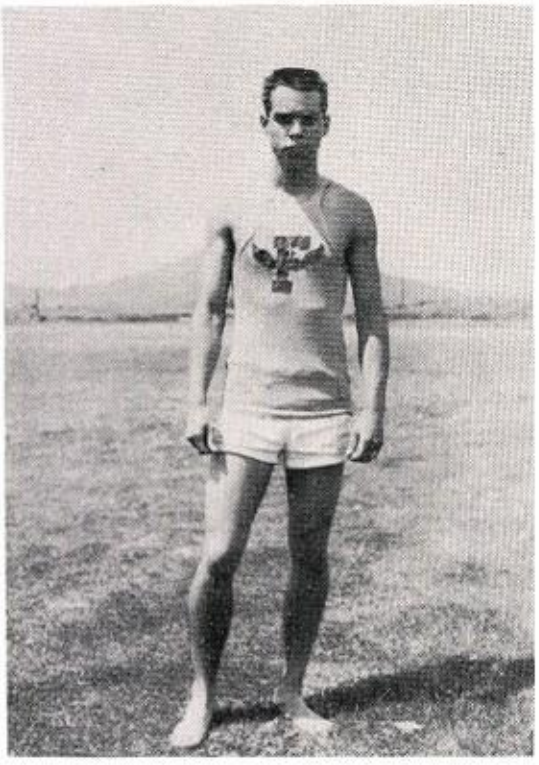
Short in number, the B's were bulwarked by Freshman Lannie Larrimore who broke the school record in the shot put (44' 6") in the first meet he ever saw; Mike Landon, who placed fourth at the North Section Meet; and junior, Jerry Elwood, also fourth in the 1320 at Chico.



C Track

The C team was the best team Fall River High School has ever had. The little guys were Valley Division Champions, easily defeating Enterprise. The Bullpups missed being Northern California Champions by 1 1/16 points, losing to Enterprise. Missing the final meet were Stan Cunningham, with an injury and Joe Fulkerson, our stand-out pole vaulter.

John Ospital, voted the best track man in school, defended his Northern California 330 Championship (:37.8). He set school records in the broad jump (19' 10"); the shot put 47' 7" as well as his:37.8 in the 330.



JOHN OSPITAL

Rich Harris set school marks in the 75 low hurdles (:9.9) and the 110 low hurdles (:13.1).
